3 2 2

What can only be described as impeccable is this stunning family home set in one of Wyndham's finest and most sort after estates, the Cambridge estate. Employing an extreme attention to finer detail and utilizing a lengthy list of only quality materials, we present this opportunity for you to embrace and enjoy for many years to come. Upon arrival you are welcome by extensively manicured gardens and mature trees throughout, while once inside you'll be further captivated by the wonderful touches. A formal lounge has been detailed with feature step walls, while a large master bedroom also boasts spa ensuite and granite finished vanity. A magazine quality inspired kitchen has been custom finished in two pack, topped with blue pearl granite bench tops and detailed with superior appliances that any chef would just love to create within. Adjoining here is a large meals area that also flows to the separate sunken hexagonal rumpus finished with select solid bamboo
