Make a fresh start with this 18-month-old family house nestled in a popular area walking distance to Manor Lakes' shops!

The light-filled open-plan hub is a highlight and it incorporates a gleaming kitchen with stainless-steel appliances, overhead cabinetry and an island bench for ample preparation space.

Abundant natural light fills a large tiled living area and it has a split-system unit and sliding doors opening onto the patio. The other highlight, a north-facing backyard, has a paved courtyard and a low-maintenance backdrop deserving of a little tender loving care and creative input from the new owner to turn this delightful house and land package into a true home.

Four bedrooms and two sparkling bathrooms easily accommodate guests and the growing family.

Other appointments include roller blinds throughout, ducted
