

28 Huntingfield Drive HOPPERS CROSSING VIC

4 2 2

Here is certainly an opportunity that you would be sorry to miss. Featuring so many quality appointments inside and out, all the hard work has been done for its next lucky owner. Starting with the central kitchen that has been remodelled to include upgraded appliances, feature led lighting and dish washer, it overlooks the adjoining family room and is also as handy to the formal dining and large formal living room. A sizable master bedroom offers an updated ensuite while the central bathroom is equally as impressive. Updated dual gas heating, split system air conditioning, comprehensive alarm system, updated window and floor coverings finish the interior smartly. Outdoors is an entertainers paradise from the merbau decked enclosable all weather pergola offering dry access from the oversized double garage. Manicured gardens have been detailed with a combination of deck panels, river stone and still offer a great sized yard for the kids to enjoy

Building Size : 22 sqm
