This one is certainly in a class of its own to put it mildly when it comes to what apparently is competing with it. Presenting a level of finish and appointments that only are ever dreamed off, yet rarely found, yet all here! With its modern inspired colour schemes, the open interior plan features a stunning two pack hostess kitchen complete with concealed reverse cabinetry doors, upgraded stainless appliances including dishwasher and topped with luxury composite stone bench tops.

Whilst the adjoining meals and second family rooms are sizable, there is also a separate formal living. An ensuite features to the master bedroom while there is also a study for the busy home office. Both ducted heating & cooling feature here, while there is an alarm system, powered roller shutters, a solar electricity system and the oversized double garage features both automated and internal
