

16 Mossfiel Drive HOPPERS CROSSING VIC

3 1 1

The City of Wyndham is expanding.RAPIDLY! One reality to be considered is that the original areas only become more attractive and central due to their increasingly more desirable location. This choice residence is certainly no exception to the rule and offers a few luxuries to boot! Comprising three great sized bedrooms, the formal living room adjoins the formal dining while the renovated kitchen features updated cooking facilities and joins the meals room. Gorgeous solid hardwood floors feature while there is also two way gas heating and ducted evaporative cooling. Outdoors there is still a heap of back yard for the kids while for the garage is great for the budding handyman or the car not that you really need a car considering the superior location. Within close walking distance to the Hoppers crossing train station, easy M1 freeway access, primary and secondary schools and a choice of shopping facilities including the currently expanding Werribee Plaza

Building Size : 14 sqm
