

202 McGrath Road WYNDHAM VALE VIC

3 1 4

What a fantastic opportunity to secure a solid three bedroom home positioned within walking distance to schools, public transport, shops, child care and all amenities.

Good size lounge and meals area, neat kitchen with gas cooking, gas heating, air conditioning, pergola, double carport and a double powered garage/workshop. A great establishment on a good sized allotment with a decent back yard and matured gardens.

Inspections are sure to impress with this great property centrally positioned!
