

83 Bindowan Drive HOPPERS CROSSING VIC

3 2 14

A mesmerizing masterpiece secluded in Bindowan Drive with picturesque greenery and stunning street scape, truly the dream indoor-outdoor entertaining sanctuary.

Beyond the leadlight double entry is a world of top quality, rare and unique materials. One hundred and sixty tones of recycled red and blue clinkers, Castlemaine rock and a rainforest of timbers such as recycled red gum, iron bark, cherry oak, yellow gum, Baltic pine & brush box from Senior and Williams, the old Sydney wharfs & the Nullarbor rain forest. At almost 65 squares total and set on just over an acre the residence boasts 3 exceptionally large bedrooms and study or guest suite. An open plan design features formal lounge with extensive use of timbers and Castlemaine rock from the Rixon's quarry highlighting the open fire place bringing warmth and character.
