

## 102 Grevillea Crescent HOPPERS CROSSING VIC

3  1  1 

102 Grevillea Crescent is an immaculate beauty. Situated on a massive 699m2(approx), this freshly renovated home features a stunning kitchen with glossy timber cupboards that complements the floorboards below, flowing into the spacious dining and living area. The open plan living space boasts an attractive mix of neutral whites and soft timbers that provides an unmatched warmth and homeliness.

The three bedrooms allow space for families big and small, with the master bedroom connecting to the bathroom and adjacent toilet. The lounge at the estates front adds an attractive touch of class featuring a wood fire heater, while the rest of the home is equipped with split system heating and cooling.

The propertys biggest feature, however, is the outstanding backyard space. The alfresco entertaining area under the cover of a timber panel pergola is as striking as it is
