

89B Huntingfield Drive HOPPERS CROSSING VIC

2 1 1

If you're looking for that low maintenance home located close to shopping facilities, schools, super easy freeway access and a real handy lifestyle, then this is the one for you!

This deceptively spacious unit comprises of two fitted bedrooms with built-in robes, the kitchen has modern cooking appliances, an open plan living arrangement with the modern line continuing throughout, with a chic bathroom.

Extras include: split system heating /cooling for all year comfort, 2.7m high ceilings, a compact landscaped backyard and a single remote lock up garage, with internal access for added security which is a perfect start for a first home buyer or investor looking to increase their current portfolio.

Inspect to avoid disappointment.
