

39 Parker Street WERRIBEE VIC

3 2 1

Set close to the Werribee CBD, this young and extremely vibrant townhouse offers a fine blend of quality appointments, well thought out floor plan and low maintenance living. At only a few years of age, step inside to the select laminate flooring while offering a spacious living room with the superb modern gloss kitchen finished with stone bench tops, countersunk sinks and stainless appliances including dishwasher while adjoining the sizable separate meals room. All bedrooms are very generous in size while the master features walk in robes and private ensuite with the other bedrooms serviced by a common European bathroom. High ceilings feature across both levels with other appointments including ducted heating, feature lighting, oversized lock up automated garage and a paved entertaining area just in time for summer. Superb finishes throughout and presentation perfect makes this the ideal investment or live in option.
