4 2 2

Stunning by presentation, luxurious by appointment and smartly convenient by location.

This is only the beginning of what lays within this immaculate example of fine family living. The sense of occasion is prominent walking up the sumptuous merbau decked entrance landing through the manicured and low maintenance Eden river stone front yard and stepping inside to an impressively practical and spacious interior floor plan.

The sizable master suite offers a private ensuite with double vanities and oversized shower with adjoining robes while the auxiliary bedrooms are serviced by an equally impressive central bathroom. With a formal lounge, the separate kitchen is somewhat of a designer masterpiece entailing ample upgraded cabinetry with composite stone
