

25 Marong Avenue EYNESBURY VIC

This magnificent blank canvas in stage 3 is one of very few premium blocks remaining and with a frontage of 22m and depth of 40 allowing for the largest of dream homes and still enough space for the children to run and play.

Backing onto the reserve and siding a walkway, means you will only ever have one neighbour giving you total privacy and never be built out so you will always have magnificent views.

At YPA Estate Agents 'our service will move you'
