

81 Lonsdale Circuit HOPPERS CROSSING VIC

3 2 2

Brilliant by not only location but by also features, this wonderfully presented and immaculate family sized home will not disappoint the most discerning buyer. Comprising both large formal lounge and dining zones, a large central kitchen also offers back yard views and is coupled to the adjoining meals and family rooms. An ensuite to the master is also present while ducted heating and cooling are also here. Outdoors, entertain from within the large gabled pergola or plot around the large backyard while the kids roam free to explore. Ever so handily located to super easy freeway access, schools, public transport including Hoppers Crossing train station and shopping centres, this home is the perfect recipe for any busy family with both convenience and features in mind
