

6 Wattlepark Street CAROLINE SPRINGS VIC

4 2 2

Once you walk through the doors of this stunning 4 bedroom house you will instantly feel at home! Polished timber floors, 9ft ceilings, timber venetians and porcelain tiles are just the beginning of what this magnificent property has to offer. Stay warm in the winter with ducted heating, and cool in the summer with evaporative cooling, this house has everything from a ducted vacuum system to a 2000 litre water tank and much more. The large outdoor decking area is perfect for entertaining in large numbers, yet still leaves enough room in this low maintenance backyard for the kids to play within sight. What more would you want?
