4 2 2

It is not often that a home comes along where everything just seems to come together perfectly, style, space, and practically walking distance to all local amenities. Beautifully presented and set on 690m² of land (approx) featuring warm neutral colour schemes throughout, this home offers four spacious bedrooms, double vanities to ensuite and a master with two walk in robes while all other three bedrooms offer built in robes. A generous formal living area with quality tile flooring, fantastic open plan kitchen with stylish appliances including dishwasher and of course a walk-in-pantry compliments well with this home. The wide open view of lush green backyard from dining and family living areas along with a pergola makes it a complete family arena. Refrigerated cooling, gas ducted heating, alarm system, double car garage with internal access, side access for the boat/caravan/truck and a wide horse shoe driveway is perfect for extra car storage.
