

2027 Western Highway ROCKBANK VIC

3 1 6

This three bedroom family home conveys comfortable originality throughout a floor-plan featuring generous living/dining areas and a user-friendly central timber kitchen with stainless steel appliances. Three bedrooms are zoned distinctly in a dedicated accommodation wing accompanied by a bright central bathroom and large separate laundry. A large pergola area is perfect for year round entertaining while the landscaped rear garden offers the perfect setting for all families. In addition the home has many added extras including evaporative cooling, split system heating/cooling, open fire place, electric window shutters on all windows, alarm system, ducted vacuum, a double car garage with side roller door access into the rear yard plus separate workshop with its own power supply. The home offers a triple tandem carport offering ample undercover vehicle accommodation, located conveniently to all local amenities and offering easy city access makes this the perfect home
