

2005 Western Highway Rockbank VIC

4 1 4

This four bedroom family home conveys comfortable originality throughout a floor-plan featuring generous living/dining areas and a user-friendly central kitchen with dishwasher. The four bedrooms are zoned distinctly in a dedicated accommodation wing accompanied by a bright central main bathroom, separate laundry and separate kids retreat or home office area. Moving outside you are greeted with an oversized driveway leading to a two car carport with roller door access, it doesn't stop that as you lead through a Colourbond twin car garage with pergola area to the side of it. The large rear backyard is ample room for further storage or the kids toys. In addition the home offers many extras that include split system cooling/ heating, floating floorboards, new paint & blinds, tinted front windows and so much more. Located conveniently to all local amenities and offering easy city access.

Land Size : 601 sqm
