

27 Strathearn Drive SUNBURY VIC

3 2 4

Immaculately presented, and nestled on a well appointed block in the heart of the Strathearn Estate, this could well be the one to end the search. Inside dual living areas will accommodate the family, opening out on to a rear decked area perfect for the weekend BBQ's. The trump card with this one however is the 4 car brick garage, perfect for the tradie looking for that extra space for equipment, or even an opportunity to work from home. Comp; Ducted Heating, Split System, FES, Study and much more.
