

11 Rees Road SUNBURY VIC

4 2 2

The stunning facade only scratches the surface of what you will uncover when you step inside. Filled with natural light, wide open spaces with floor to ceiling windows, give a great sense of space, allowing you to take in the views from many vantage points within the home. Overwhelming in every aspect, you can't help but be impressed with the attention to detail. Modern finishes with a flawless design mean no space is wasted, whilst offering an abundance of living and entertaining options. Comp: Master with Full Ensuite, Modern Kitchen complete with stainless steel appliances, workshop, internal access from garage, generous sized balcony, self sustainable landscaped gardens and much more. You'll only get one chance, so get excited and don't delay an inspection.
