In need of a little TLC, this large, modern family home with generously proportioned rooms provides ample space for family and entertaining. Four bedrooms with built in robes and a HUGE master bedroom incl. WIR and full ensuite with spa, multiple living rooms and an undercover outdoor entertaining area ensure this is an ideal home for a large family. The well-appointed kitchen with ample bench space provides open plan access to a dining area, rumpus area and family area making this home an entertainer's delight. Inclusions such as ducted heating, evaporative cooling, DLUG and addition at the rear of the garage (currently used as a hair salon) add to the liveability of this home.
