

2 Hume Street SUNBURY VIC

1 🏠 1 📄

This corner block property is the perfect location for a small developer/ builder wanting a project. Close to Aldi, shops, restaurants, medical centre, public transport and not too far from the town centre is this superb opportunity to develop townhouses/units (stca) or build your own home. Call for more information, with so much potential this is too good to be true.

**Photo ID required at open for inspections.
