Set in a lightly treed location this home offers privacy whilst at the same time allowing plenty of natural light. The full width front veranda sets the scene for what is to unfold. The main living is really quite spacious with an adjacent well appointed kitchen. There are 3 bedrooms and best of all the master has full ensuite facilities. A very pretty main bathroom is there for the family. This home is close to the back beach and offers the most relaxed vibe. Inspect NOW as this beauty will not last!!
