Set up on the hill away from the hustle and bustle of the town, but still close enough for easy access to the beach. Comprising three generous bedrooms, built in robes, open living/meals area, carpet, central bathroom with bath.

Also a single garage on a reasonably level allotment of 600 m2 and the opportunity for some unbelievable bay view if you were to go another level higher! All this and priced to sell, buy now and get in for the Christmas holidays, Don't delay this won't last long!
