This immaculate home is now on the market with a genuine vendor ready to sell. It has been meticulously maintained over the years so all you have to do is absolutely NOTHING except move in and enjoy. The property boasts a wrap around balcony and gorgeous gardens plus a full renovation inside. Also offering the chance to create a third master suite under the house if required (STCA) this area is currently used as a carport but could be so much more. The amazing tree top views complete with glimpses of the bay will blow you away! With a quick settlement you could be sitting on the balcony enjoying the Melbourne fireworks on New Year's Eve.
