

29 Sherwood Avenue ROSEBUD VIC

3 1 2

Value-packed and in a gorgeous pocket of Rosebud South, this 3 bedroom brick veneer has been lovingly renovated with meticulous attention to detail. From the gleaming hardwood floors to the Caesar stone kitchen (with Blanco appliances), the open plan living space embodies an easy lifestyle. The north-facing grounds are simply stunning (a credit to our greenkeeper vendor), yet the self-watering system means all you need to do is sit back and take in the view of Arthur's Seat. Extras include a double carport, an indoor/ outdoor room, ducted heating, a/c and a huge storage shed. Surrounded by quality homes, be sure to see Sherwood!
