Commanding 180 degree sea views are the dominant feature of this beautiful beachside abode. The spacious wrap-around deck envelopes 3 sides of the home, allowing you to take in the city skyline, Martha's point or the ever-changing shoreline as it meanders around the bay. Bathed in sunlight, this rendered 5 bedroom home sprawls over 2 levels, and every inch of the property has been renovated to perfection. From the open-plan kitchen (with Miele appliances and Caesar stone benches), sparkling floorboards, 5 star bathroom and neutral tones, there is nothing further to do but enjoy. Ideal for dual living/teenage or guest accommodation the lower level houses 2 spacious bedrooms, a bathroom and large living area. Upstairs, there are water views from almost every room, and with ducted heating and refrigerated A/C, your comfort is assured. With a horseshoe driveway, lock up garage (with internal access), carport, side access for the boat/ van
