

29 Devon Street DROMANA VIC

3 1 1

Situated in a beautiful coastal setting high on Dromana Hill, this original, character filled home presents a fantastic opportunity for the astute buyer. Over two levels, this property encompasses three bedrooms (all of which are downstairs), whilst the upper level houses the kitchen and generous living zones that are unashamedly dedicated to the dramatic bay vistas. From here, watch the bay at play as you step seamlessly on to the broad deck that takes in views across the bay towards Mt Martha. On 665sqm (approx), this home features polished boards, a huge workshop, lovely gardens as well as easy access to shops and the freeway. With Peninsula Link only weeks away and offering further scope to improve, this seaside property is destined for imminent greatness. View photographs arriving shortly.
