An incredible opportunity exists to create a bright new future in one of the finest locations on the Southern Mornington Peninsula with this unique and intriguing property. A land of possibility and a home presenting many options, this once in a lifetime chance presents one lucky new owner with unprecedented scope to design a life less ordinary. The existing three bedroom home, sitting proudly on a magnificent allotment of approximately *1013m2, is spread over two levels and offers great potential to either extend, renovate or replace with something a little newer
