Land Size : 888 sqm

View : <https://www.ypa.com.au/7395371>

With emphasis on location, this prime beach side allotment of approx 888 sqm is conveniently positioned just about 450 meters to the beach. Currently a dual occupancy site—the two homes, rated separately, offer amazing potential for improvement. In mostly original condition, the cottages each offer 2 bedrooms, central bathroom & light-filled living spaces. They are currently leased at a healthy combined income of \$2,340 per month. Grow your investment portfolio with exceptional potential to develop later and with bay views from a 2nd storey building (STCA). Easy walking distance to the Dromana shopping precinct, beach, pier, Primary school & sporting facilities. Use as dual permanent rental or family holiday home base until you are ready to develop. The possibilities are bountiful!
