

42 Rokeby Crescent CRAIGIEBURN VIC

3 2 2

Once inside this established 3 bedroom home, you'll see the space available and where the furniture will go. Master bedroom with ensuite and WIR, while remaining 2 bedrooms have BIR's, open plan living areas flow through the home giving the whole family space to grow. Outside be impressed with a great undercover entertaining area joining to the double garage (drive through). This home has had laughter and love fill it over the years and now will be waiting for its next family to continue. Located close to transport, shopping centre and all Craigieburn sporting facilities, this must be seen to really appreciate.
