Perfectly located, this is where the dream begins. This unfinished project could be the perfect property awaiting you. Just finish the remaining work to your tastes and quality inside, with a big free flowing floor plan that accommodates for any big family, or rural lifestyle or retreat. This designer home has left nothing off its plan, consisting of a grand master bedroom with private ensuite and walk in robe that will only impress. 4 dedicated bedrooms to the south side of the building to provide further privacy, great sized central bathroom, study zone that could be used as the ultimate home office. The master chef kitchen with butlers pantry overlooks an additional family room with access to a sunken theatre room, ideal for those fun family movie nights. The ultimate man cave awaits outside with a huge free standing shed or work shop, floor space that can handle any trucks or earth moving equipment with 3 phase power to top it all off. All
