In a locale highly-acclaimed for its walking proximity to an array of premium schools, park lands and transport options, the 4 bedroom/1 study or 5th bedroom /2 bathroom/3 toilet/3 living floor plan offers versatile spaces to suit a variety of ages. An upstairs retreat is ideal for teen relaxation. The good-sized master bedroom with ensuite and walk in robe, all other bedrooms with built in robes. A fully appointed kitchen with stainless steel appliances and dishwasher connecting to light-filled dining and living space makes cooking fun. The expansive outdoor veranda is a generously-sized hub for family.
