Situated within close proximity to all of Tullamarine's amenities, you'll find this turn-key home, presented to perfection. Bursting with character, it offers a spacious lounge at front, modern kitchen with glass splashbacks and quality appliances, a sun-filled meals area, great sized rumpus/billiard room (with built-in bar), study/5th bedroom and a downstairs bathroom with claw-foot bath. Upstairs features 4 generous bedrooms all with built-in robes, a retreat for the kids and an ultra-modern bathroom with a huge double shower. Step outside under the decked entertaining area and find there's little upkeep needed with the tidy landscaped yards. Best of all, it's designed for all year round with pull-down blinds, handy for both privacy and typical Melbourne weather. All this comes complete with a garage at the rear, heating and cooling, and plenty more extras. With all the hard work done, there's nothing left to do but enjoy!
