This truly is the most desired pocket of Westmeadows, and it's not hard to see why! Beautiful tree-lined streets lead the way to this attractive 3 bedroom home. Offering plenty of living space with a large lounge and separate dining, a sun-filled kitchen with updated appliances, central bathroom and laundry. Outside the gardens are tidy and large enough for kids to run around, and the front porch is also ideal for entertaining on a warm summer night. It's the perfect first home, in the perfect location!
