Centrally located, with trams at your doorstep, the best local cafes and shops nearby and moments from major freeways, its not hard to see why this first-floor Montgomery apartment is your first choice when looking for city-edge living. Offering an expansive floor-plan, top quality fittings throughout and featuring 3 bedrooms, master with ensuite and WIR, main central bathroom, open-plan living/dining area leading out to a fully-undercover private balcony (also accessed from all bedrooms). Add to this a contemporary kitchen with Smeg cooking appliances and integrated dishwasher, split-system heating and cooling, stone bench tops and vanities, quality carpets and floors, plus video intercom/secure entry, two lower-level car spaces and two large storage cages. By far, one of the largest and most well-priced apartments available this close to the city. Snap this up before it sells!
