

3 Bunya Drive BROOKFIELD VIC

4 2 2

This one year old beautifully designed home is ideal for any family. The long list of features include four bedrooms, study, formal lounge, rumpus / theatre room, ducted heating plus split system, main with WIR and ensuite, double garage, stainless steel appliances, not to mention the alfresco entertainment area. I could go on but to put it simply this just has to be seen to be believed. Located in the new sought after Botanica Springs Estate with schools, shops and public transport close by, what are you waiting for? This will not last long so make an appointment today. An inspection is a must!.
