

29 Burleigh Road MELTON VIC

4 1

Located right smack bang in the middle of town, close to schools of all levels, shops and public transport. If I could put it simply it's the dream location. With a bit of renovation to be done you can turn this wonderful four bedroom investments property or first home into a gorgeous piece of real estate, With open plan kitchen meals area with adjoining separate study and rumpus room offering space for the whole family even places to park the cars with a long driveway. Don't miss out on this one in a million opportunity for the house with the location that dreams are made of.
