

10 Kingston Rule Street KURUNJANG VIC

4  2  2 

Light up your life with super space and splash out with this amazing family accommodation, tucked away within a walk of parks and schools, this four bedroom home with vast living zones puts this home on focus on flexibility in design and energy efficient features that would surprise you. Living is a free-flowing affair, spilling from the front formal lounge to the rear of the home, and walking through to a large central kitchen overlooking the outdoor area. Along with approx 561sqm of brilliant land size surrounded by mature landscape gardens, this amazing opportunity is not to be missed as homes built like this are rare to find.
