

12 Feedwater Road DONNYBROOK VIC

5  2  3 

This 5 bedroom modern home offers an ideal family lifestyle with its adaptable design, and fantastic living/entertaining spaces both inside and outside. A huge master bedroom with its own WIR, ensuite, and access to a light-filled patio, as well as four further bedrooms with built-in robes, are just what growing families need. The home's open layout also features a great area that flows seamlessly. While seamless indoor-outdoor living is supported by the direct access from the interior to the enclosed all-seasons terrace. Other notable features of the house include zoned ducted heating and cooling, refrigerator, alarm, video intercom, electric roller shutters, stainless steel appliances, including dishwasher, separate living room in the front of the property and lots of storage.
