

1/2 Phillip Street Rosebud VIC

2 1 1

This wonderful two-bedroom single-story home is tucked away peacefully on a quiet street. It features an open layout with lots of natural light in every room.

Plantation shutters, a contemporary kitchen and bathroom, a lovely covered patio and courtyard, light neutral flooring (tiles and carpet), and all the creature comforts one could hope for—such as gas ducted heating, split system heating, high-quality appliances and a single lock-up garage—are just a few of the quality inclusions that are present throughout the property.

This property, which is surrounded by lush gardens and offers a lifestyle unlike any other, is only 450* metres from the foreshore and McCrae Plaza and 350* metres from the Mornington Peninsula Motorway.
