

37 Highland Drive Pakenham VIC

3 2 6

Strategically constructed to capture million dollar views, this elevated and expansive 1,047 m² block boasts an architecturally designed home that is truly exceptional. This family, multi-level home includes the convenience of a compact elevator, stunning views of Western Port Bay, French Island, Hastings and Arthurs Seat. Complete with all the comforts of a family home, this residence is complimented by a beautifully landscaped garden and must be seen to be fully appreciated. The home is sophisticated, stylish, and generously proportioned with multiple living areas, offering ample space for everyday living. It includes both a separate living area and an open-plan family lounge and dining area which offer all day views through the expansive windows.
