This 2 bedroom, 1 bathroom property has been designed to maximise every inch of the space with a large balcony, sizeable bedrooms and an open kitchen/living/dining space.

The contemporary kitchen features quality inclusions with premium stainless steel appliances, including a dishwasher, wooden cabinetry, gas cooking and a feature splashback. The kitchen is complimented by an inviting living/dining area, which is the ideal space to sit back and relax after a busy day. This leads through large glass sliding doors to a sizeable balcony with wooden cladding for additional privacy.

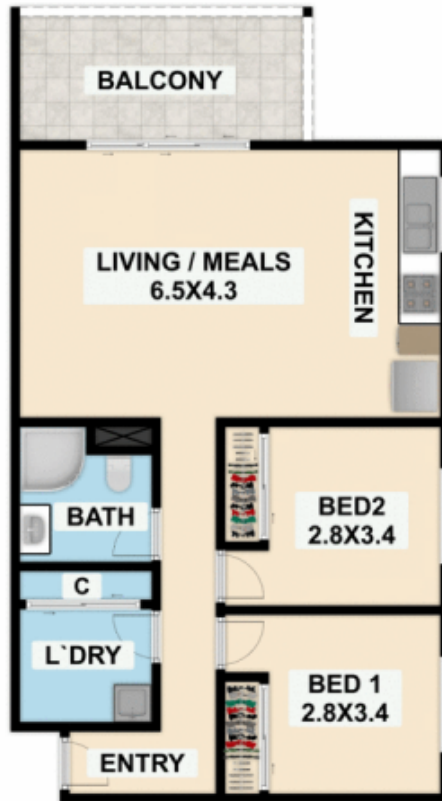

The bedrooms are a great size with BIRs and quality carpet, while the shared bathroom includes a shower; a separate laundry with linen press is a bonus.
