

MP074 Address upon Request Truganina VIC

This business is actually 3 established businesses in one. Located in a large and specifically fitted warehouse in Truganina. Vendors have moved on to a different industry and therefore, they are not giving this business the attention it deserves. This is a very simple business to run. The vendor can train someone and will give them all the supplier and courier contacts. This is a perfect time to get on to this as it is the perfect business for Christmas sales!!
